Profile

Exceptionally creative and dependable Front-end Developer with superb work ethic. I am knowledgeable in a wide variety of computer languages as well as the principles and techniques of website construction and maintenance. Highly adept at conveying complex technical information to a variety of professional and lay audiences in a clear and understandable manner.

Work experience

11/2021 – present
Lagos, Nigeria

Front-end Developer
Peniel Day Foundation
At Peniel Day, I am currently in charge of the development of the foundation's website application design written in ReactJS. I also maintain effective collaboration and communication with all team members regarding new updates and issues that required fixing, debugging and improvements in addition to training an intern in my team.

07/2020 – 08/2021
Lagos, Nigeria

Front-end Developer Intern
360Creativehub
Worked closely with senior developers and clients to meet several large scale project requirements and desired functionalities. I also assisted in the design and maintenance of both cooperate and clients website which mostly included e-commerce websites using scripting languages and well structured readable and reusable codes.

Education

01/2019 – 09/2022
Lagos, Nigeria

Computer Science and Engineering | Bsc
University of Lagos
